

Example Household: Progress & Savings

[View >](#) | [Summary](#) | [Trends](#) | [GreenBuys](#) | [Usage records](#) | [Starting Values](#) |

This graph shows your household's savings performance for each reporting period since you joined the COOLmob programme.

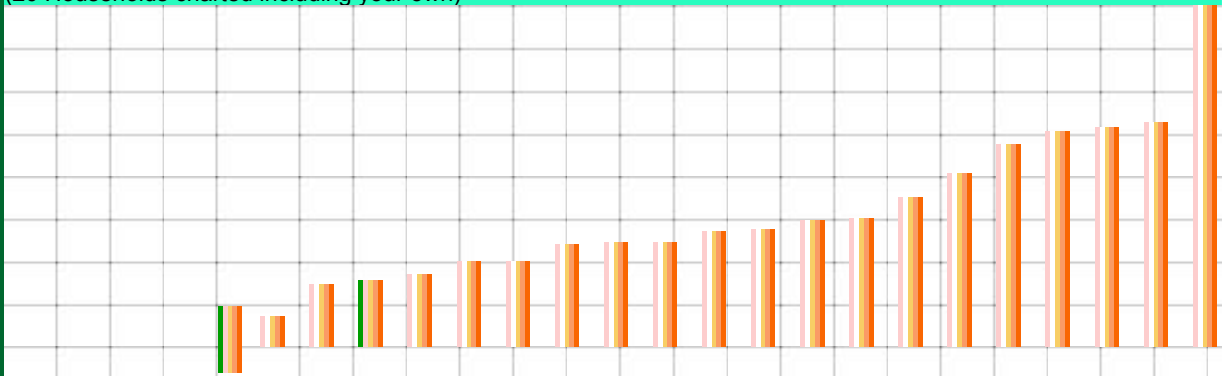

CO₂ Savings Trends

Example Household HIN Report

Your current HIN compared to your peers.

(20 Households charted including your own)

NB: Shows your Audit values as your current HIN if you have not yet commenced logging your performance.
